

DRIVER & LICENSING OFFICE..

The Driver & Licensing Office is announcing changes in the New Year! We will be under the Service Ontario umbrella and sometime after February 2010 we will be able to renew your existing Health cards and address changes at our location in Parkhill.

Note: As of September 14th, 2009 all operators of any size motorized boats will have to have their Pleasure Craft Operators Card (PCOC). The manual can be purchased and the boat test can be completed at the Parkhill Driver & Licensing Office.
