MANAGEMENT REPORT

December 31, 2017

The accompanying financial statements are the responsibility of the management of the Municipality of North Middlesex. In management's opinion, these financial statements have been prepared in accordance with Canadian public sector accounting standards. Management has selected accounting principles and methods that are appropriate for the Municipality's circumstances. Financial statements are not precise since they include certain amounts based on estimates and judgments. Management has determined such amounts on a reasonable basis in order to ensure that the financial statements and any other supplementary information presented are consistent with that in the financial statements.

The Municipality maintains systems of internal accounting and administrative controls that are designed to provide reasonable assurance that the financial information is relevant, reliable, and accurate, that transactions are properly authorized and that the Municipality assets are properly accounted for and adequately safeguarded.

The financial statements have been examined by Davis Martindale LLP Chartered Professional Accountants, the external auditors of the Municipality. The responsibility of the external auditors is to express their opinion on whether the financial statements are fairly presented, in all material respects, in accordance with Canadian public sector accounting standards.

The members of Council are responsible for ensuring that management fulfills its responsibility for financial reporting and internal control. The Council meets periodically with management, as well with the external auditors to satisfy itself that each party is properly discharging its responsibilities with respect to internal controls and financial reporting. Davis Martindale LLP Chartered Professional Accountants have full and free access to the Council, with and without the presence of management.

INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of: Municipality of North Middlesex

We have audited the accompanying consolidated financial statements of Municipality of North Middlesex, which comprise of the consolidated statement of financial position as at December 31, 2017 and the consolidated statement of accumulated surplus, consolidated statement of financial activities, consolidated statement of change in net financial assets, consolidated statement of cash flows, and the schedules of tangible capital assets and deferred revenues for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Municipality's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Municipality of North Middlesex as at December 31, 2017, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

1. Nature of the Business

The Municipality of North Middlesex ("Municipality") is a municipality in the Province of Ontario, Canada. It was created on January 1, 2001 through the amalgamation of the Town of Parkhill, the Village of Ailsa Craig and the Townships of McGillvary, East Williams and West Williams. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act and related legislation.

2. Significant Accounting Policies

The consolidated financial statements of the Municipality of North Middlesex are the representation of management, prepared in accordance with Canadian public sector accounting standards. The policies that are considered to be particularly significant are as follows:

a) Basis of Consolidation

(i) Reporting Entity

These consolidated financial statements reflect the assets, liabilities, sources of financing, expenditures and fund balances of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Municipality and which are owned or controlled by the Municipality. All interfund assets and liabilities and sources of financing and expenditures have been eliminated, with the exception of loans or advances between reserve funds and any other fund of the Municipality and the resulting interest income and expenditures.

(ii) Accounting for County and School Board Transactions

The taxation, other revenues, expenditures, assets, and liabilities with respect to the operations of the school boards and the County of Middlesex are not reflected in the municipal fund balances of these consolidated financial statements. Over levies (under levies) are reported on the Consolidated Statement of Financial Position as "accounts payable and accrued liabilities" or "accounts receivable."

(iii) Trust Funds

Trust funds and their related operations administered by the Municipality are not consolidated, but are reported separately on the Trust Funds Statement of Financial Position.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

2. Significant Accounting Policies (continued)

b) Basis of Accounting

(i) Accrual Accounting

Revenues and expenditures are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(ii) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight line basis, over their useful lives as follows:

Buildings30 to 75 yearsEquipment20 to 30 yearsFleet7 to 20 yearsRoads35 to 100 yearsUnderground and other networks75 years

Bridges and other structures

40 to 75 years

Amortization is calculated on a daily basis from the date of acquisition. Assets under construction are not amortized until the asset is available for productive use.

(iii) Deferred Revenue

The Municipality receives contributions pursuant to legislation, regulations or agreement that may only be used for certain programs or in the completion of specific work. These amounts are recognized as revenue in the fiscal year the related expenditures are incurred or service performed.

(iv) Government Transfers

Transfers are recognized in the consolidated financial statements as revenues in the period in which the event giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

(v) Use of Estimates

The preparation of the consolidated financial statements of the company, in conformity with Canadian public sector accounting standards, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the balance sheet date, and the reported amounts of the revenues and expenses during the period. Actual results could differ from these estimates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

3. Short-term Investments

The short-term investments are recorded at their cost plus accrued interest and consist primarily of bonds with AAA rating and guaranteed investment certificates.

4. Long-term Receivable

		2017		2016
Sewer debentures receivable	\$	672,251	\$	792,734
Tile drain loan receivable		50,513	_	78,763
		722,764		871,497
Less: current portion		67,107	_	148,732
-	\$ <u></u>	655,657	\$_	722,765

The sewer debentures receivable represents amounts owing from benefiting land owners for new water, sewer and storm drain lines installed on their property. These loans have terms of ten to forty years, at interest rates between 5.01% and 5.26%.

The tile drain loan receivable represents amounts owing from benefiting land owners for tile drains installed on their property. These loans have terms of ten years at interest rates between 6% and 8%.

5. Bank Overdraft

The Municipality has a revolving line of credit by way of an operating account overdraft. The credit facility bears interest at the bank's prime rate per annum, is due on demand with a limit of \$2,500,000.

6. Solid Waste Landfill Closure and Post-Closure Liability

In 2001, the Municipality implemented PSAB section 3270: Solid Waste Landfill Closure and Post-Closure Liability, which accounts for anticipated closure and post-closure costs for existing and closed landfill sites. This liability is the estimated cost to date, based on a volumetric basis, of the expenditures relating to those activities required when the site or phase stops accepting waste.

The Sanitary Closure costs include final cover and vegetation, and completing facilities for drainage control features, leachate monitoring, water quality monitoring, and monitoring and recovery of gas. Post-closure care activities include all activities related to monitoring the site once it can no longer accept waste, including acquisition of any additional land for buffer zones, treatment and monitoring of leachate, monitoring ground water and surface water, gas monitoring and recovery, and ongoing maintenance of various control systems, drainage systems and final cover.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

6. Solid Waste Landfill Closure and Post-Closure Liability (continued)

Key assumptions in arriving at the liability value are:

	McGillvary Landfill
Expectation of landfill reaching capacity	
(based on initial measurement in 2001)	8-10 yrs
Initial closure costs (in 2001 dollars)	\$ 60,000
Ongoing monitoring costs (recorded as incurred)	\$ 4,000 /yr

Long-term liabilities at the end of the year	\$	1,856,257	\$_	2,327,508

b)Principal Payments Due

Of the net long-term liabilities reported in (a) of this note, the following principal payments are required, as follows:

	2018 to 2022	Thereafter	Total
From general municipal revenues	\$ 1,145,973	\$ -	\$ 1,145,973
From benefiting landowners	<u>275,420</u>	434,864	710,284
-	\$ <u>1,421,393</u>	\$ <u>434,864</u>	\$ <u>1,856,257</u>

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

7. Long-term Liabilities (continued)

c) The long-term liabilities in (a) issued in the name of the Municipality have received approval of the Ontario Municipal Board for those approved on or before December 31, 1992. Those approved after January 1, 1993 have been approved by by-law. The annual principal and interest payments required to service these liabilities are within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs.

8. Trust Funds

Trust funds administered by the Municipality amounting to \$278,987 (2016 - \$274,062) have not been included in the "Consolidated Statement of Financial Position" nor have their operations been included in the "Consolidated Statement of Financial Activities."

9. Commitments

During the 2014 fiscal year, the Municipality entered into agreements with the Ontario Clean Water Association to maintain, operate and service the water distribution system and wastewater system in North Middlesex. The agreements specify the Municipality will cover the operational fees at cost plus a fixed management fee of \$88,964 yearly, subject to an annual inflation adjustment. The current agreements with the Ontario Clean Water Association are set to expire in 2021.

10. Public Sector Salary Disclosure Act 1996

The Public Sector Salary Disclosure Act, 1996 (the "Act") requires the disclosure of the salaries and benefits of employees in the public sector who are paid a salary of \$100,000 or more in a year. The Municipality complies with the Act by providing the information to the Ontario Ministry of Municipal Affairs and Housing for disclosure on the public website at www.fin.gov.on.ca.

	\$ <u>62,165,052</u>	\$ <u>60,614,078</u>

13. Contingent Liabilities

As part of the Municipality's employee compensation package, employees are allocated a yearly allowance of sick days. These sick days can be carried forward indefinitely and the employees are only compensated for these days if they are sick. The costs associated with the accumulated sick days are accrued based on a five year average usage in the Municipality's financial statements, the remaining accumulated sick days are not accrued as the future payment of these costs is contingent on the employees' health. The Municipality's obligation with respect to accumulated sick days ends when the individual discontinues employment with the Municipality.

As of December 31, 2017, the Municipality has accrued sick day benefits totaling \$41,167 (2016 - \$50,687) and is contingently liable for an additional 2,112 accumulated sick days with an associated cost, based on current pay rates, of \$523,077 (2016 - \$493,647).

14. Financial Instruments

Fair Value

Management estimates that the fair values of all financial assets and liabilities are not materially different from their carrying values.

Credit Risk

Credit risk is the risk that a counter party will fail to discharge its obligation to the organization reducing the expected cash inflow from the Municipality's assets recorded at the balance sheet date. Credit risk can be concentrated in debtors that are similarly affected by economic or other conditions. The Municipality has assessed that there are no significant concentrations of credit risk.

Interest Rate Risk

The following table identifies the Municipality's financial assets and liabilities which are sensitive to interest rate movements and those which are non-interest rate sensitive as they are either non-interest bearing or bear interest at fixed rates. The Municipality does not currently hold any financial instruments that mitigate either of these risks.

15. Pension Agreements

The Municipality makes contributions to the Ontario Municipal Employees' Retirement System ("OMERS") plan, a multi-employer pension plan, on behalf of most of its employees. The plan is a defined benefit plan that specifies the amount of the retirement benefit to be received by the employees based on length of service and rates of pay. Employees and employers contribute jointly to the plan.

Because OMERS is a multi-employer pension plan, any pension plan surpluses or deficits are a joint responsibility of all Ontario municipalities and their employees. As a result, the Municipality does not recognize any share of the OMERS pension surplus or deficit. Employer contributions for current service amounted to \$167,034 (2016 - \$151,117) and are matched by employee contributions in a similar amount.

16. Segment Reporting

The Municipality has identified segments by major function. The segments and activities performed by the segments are as follows:

General government - general administration

Protection services - police and fire protection

Transportation services - public works

Environmental services - water and sewer administration and waste management

Health services - cemetery administration and public health

Recreation and cultural services - recreation facilities

Planning and development - municipal planning and development

INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of: Municipality of North Middlesex

We have audited the accompanying financial statements of the trust funds of the Municipality of North Middlesex, which comprise of the statement of financial position as at December 31, 2017 and the statements of the accumulated net assets and financial activities for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Municipality's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the trust funds of the Municipality of North Middlesex as at December 31, 2017, and its financial performance for the year then ended in accordance with Canadian public sector accounting standards.
