

Dear Valued Community Member,

This year's Ailsa Craig Gala Days is the weekend of June 23rd, 24th and 25th, 2023. The Gala Days committee has been working hard to bring some new and familiar events and activities to our fun hometown festival.

Thanks to our sponsors, we continue to provide free admission for guests to enjoy the three-day event and provide many low-cost or free activities. The cost of many of our attractions has gone up with inflation. We still aim to provide a variety of engaging activities for all ages for the Gala Days weekend!

We are grateful for the invaluable sponsorship from our supportive local businesses and individuals. We are seeking donations to make this community celebration a huge success. We will share your business information on 2ftx2ft signs in the park during the weekend and share our sponsor's information on the Gala Days social media.

All sponsorship is gratefully welcomed; suggested amounts are \$250, \$500, and \$1000.
