## YOU'RE INVITED TO BE AN EXHIBITOR AT THE NORTH MIDDLESEX CAREER FAIR & TICKET TO THE TRADES

North Middlesex District High School and the Municipality of North Middlesex are hosting the **3rd Annual Ticket To The Trades & Career Fair** on **Wednesday Oct 23rd, 2024**. This year we welcome the County of Middlesex as a hosting partner.

The event will be located at the **North Middlesex District High School** gymnasium and the **North Middlesex Community Centre** as well as a **Touch-a-Truck Tunnel** in the green space joining the 2 locations.

We are inviting both students and adults from our community who are not yet in a career or are looking for a career change. We are happy to announce that more organizations representing trades and other careers have been added to list of exhibitors this year.

Exhibitors include organizations and businesses offering information on co-op opportunities, apprenticeships, full and part time positions, employment services, colleges, schools of trades and unions. Vendors have the opportunity to meet with attendees and discuss ways they can develop their skills to achieve employment as well as advertise current job opportunities.

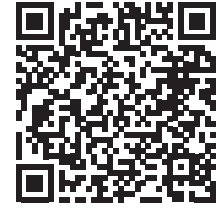

During the day classroom tours are scheduled from schools throughout the region (Grades 7 to 12). Last year over 400 students attended. The time slot between 5:00pm - 7:00pm allows mature students and adults to attend outside of work hours.

**There is no fee to become a vendor.** We do ask if you are able to donate a prize, it is appreciated. Attendees are given passports to have signed when they visit a booth. Passports are then placed in a draw for prizes. There are also Sponsorship opportunities for organizations interested in supporting this event.

**We hope that you can join us and help support the work force of the future!**
