Description of Land: Part of Lot 4 and Lot 5, Con 24  
geographic Township of McGillivray  
Municipality of North Middlesex  
35582 Bullock Road

Owner: Earl and Julie Bullock

The purpose and effect of the application for Zoning By-Law Amendment (File No. ZBA-7-2018) is to temporarily allow an on-farm secondary business on an agricultural parcel of land for a period of time not exceeding three years. The on farm secondary business is comprised of an agriculture related hauling business with accessory farm equipment servicing and fleet vehicle inspections and repairs conducted on site within an existing agricultural building.

Planner Christie Kent advised Council that since the submission of her planning evaluation report, in which a deferral was recommended pending comments from the ABCA, she has now prepared an addendum to the report due to receipt of comments on December 19<sup>th</sup>.

**WRITTEN AND ORAL SUBMISSIONS**

- Ausable Bayfield Conservation Authority: recommendation that the landowners consult with the Ministry of the Environment, Conservation and Parks regarding fluids being changed on the gravel pad. It is the responsibility of the landowner to comply with all applicable government regulations.
- Municipal Operations: No concerns
- Public Written Comments: None
- Oral Submissions at meeting: None

## **ANALYSIS**

As a result, Planning staff have now considered the proposal and are satisfied that the proposed on farm diversified use is largely temporary in nature, as the construction of a new building and/or servicing updates are not required to facilitate the use and permanent land use impacts to the subject lands and surrounding properties are not anticipated. As such, planning staff support the approval of the proposed temporary use and have prepared an implementing temporary use by-law for council consideration.
