**COURT OF REVISIONS**  
**MINUTES**

The Court of Revisions was opened at 7:00 p.m. on January 21, 2013 in the Council Chambers, 229 Parkhill Main Street, Parkhill with a quorum present.

Members Appointed: Don Shipway, Chuck Hall, Andrew Hemming,  
Adrian Cornelissen and Doreen McLinchey

Drainage Superintendent: Glen Bullock  
Mike DeVos – Spriet Associates

There were members of the public in the gallery however the only participants in this portion of the meeting is the appellants.

The Drainage Superintendent provided a report that outlined the process to date for the Cameron Gillies Drain 2012. The required statutory meetings have been held and the next step in the process is to review the appeals received during the appeal period.

Mr. DeVos advised the members that he had reviewed each appeal and then he proceeded to provide his response on how he evaluates these appeals. He advised the members that the purpose of this Court is to review the assessment portion only. Any environmental concerns have been handled throughout the process. He noted that if the committee felt the appeal was appropriate then the assessment reduction for the appellant would have to be reallocated onto the other properties. He stressed to the committee that in their consideration of the appeal that they also need to keep in mind the size of the drain and the mailouts required for the re-assessments may outweigh the amount of the assessment reduction.
