COURT OF REVISIONS

MINUTES

Court of Revision was held on Wednesday September 6, 2017 in the Council Chambers, Shared Services Centre, Parkhill to receive and consider an appeal under *Section 46 of the Drainage Act*.

The following members were appointed with affirmation for the Lynn Drain (former McGillivray Township):

Mayor Don Shipway, Deputy Mayor Brian Ropp and Councillor G. Moir
Deputy CAO/Director of Operations, Jonathon Graham
Jackie Tiedeman, Clerk

Jonathon Graham presented an overview of the process taken to date for this drain.

No written appeals were received during the appeal period provision.

Mr. Graham advised that there was a change of ownership of the lands after the deadline for receiving appeals. The new owners are in attendance this evening and wished to speak to the assessments being apportioned on their newly acquired lands.

Bradley Alan and Lee Ann Charlton, owners of 33701 Neil Road, were provided a copy of the engineers report from the seller of the property. Due to the recent transfer of ownership they advised the Court that they have not had an opportunity to review the documentation and be prepared for this meeting.

Bill Dietrich, Engineer, advised the Court that the purpose of this meeting is to consider any written appeals. The Court can, upon motion, accept a verbal appeal if they wish.

Councillor Moir felt it was appropriate in this circumstance to defer the Court of Revisions until the next meeting to allow the new owner time to review this information.
