**MUNICIPALITY OF NORTH MIDDLESEX**  
**NORTH MIDDLESEX SUPPORTS ACCESSIBILITY**  
**IMPROVEMENTS THROUGH COMMUNITY IMPROVEMENT**  
**PLAN FUNDING**  
**FOR IMMEDIATE RELEASE – JUNE 16, 2026**

**NORTH MIDDLESEX, ONTARIO** – The Municipality of North Middlesex is pleased to announce that Action Financial Group Ltd. has been awarded funding through the Municipality’s Community Improvement Plan (CIP) – Business/Commercial Stream - Accessibility Program.

Through the CIP program, Action Financial Group Ltd. has been awarded \$3,250.00 to support upgrades to their parking lot that will improve accessibility for their clients. The project reflects the Municipality’s ongoing commitment to creating a more inclusive and accessible community for businesses.

The Municipality would also like to recognize and thank Middlesex County for its partnership and support through the Community Improvement Support Program (CISP). Through this program, the County is contributing \$1,625.00, helping to maximize the impact of local investment and support accessibility improvements within North Middlesex. “Supporting accessible communities across Middlesex County is one of our key priorities,” said Middlesex County Warden Sue Clarke. “This is a great example of how the Community Improvement Support Program allows us to work alongside municipalities and help local businesses make improvements that have a real impact for residents and visitors.”

“Creating accessible spaces is an important part of building a welcoming and inclusive community,” said Brian Ropp, Mayor of North Middlesex. “We are pleased to support Action Financial Group Ltd. in making these improvements and appreciate Middlesex County’s partnership in helping local businesses invest in accessibility. Projects like this demonstrate how collaboration can create meaningful benefits for our residents and visitors.”

The Community Improvement Plan provides financial incentives to encourage community revitalization, business growth, and accessibility improvements throughout North Middlesex.

“The Accessibility Program within our Community Improvement Plan helps remove barriers and supports businesses in creating spaces that are accessible to everyone,” said Felicia Krista, Manager of Economic Development & Community Engagement and CIP Coordinator. “We are excited to support Action Financial Group Ltd.’s accessibility

upgrades and grateful to Middlesex County for their continued partnership through the Community Improvement Support Program. Together, these investments help strengthen our community and improve the customer experience for all.”

The Municipality encourages property owners and businesses to explore the opportunities available through the Community Improvement Plan. Information about current funding streams and eligibility requirements can be found on the Municipality’s website.
